

## Membership Joining and Renewal Rates - 2010

The Committee recently completed a review of membership joining and renewal rates and decided these rates should increase by 5%. Subject to acceptance by members at the March 2009 AGM the proposed membership rates will apply for renewals and new memberships for 2010.

The new rates are expected to yield approximately \$8-10K increased membership revenue in the 2009-2010 club financial year.
